WRISE

The image features three women in professional work attire, including hard hats and safety glasses, set against a bright blue background. A vibrant, multi-colored rainbow graphic is positioned behind them, arching over the scene. The woman in the foreground is smiling broadly, wearing a blue hard hat and a yellow safety vest over a plaid shirt. The woman in the middle is wearing a grey hard hat and a green shirt. The woman in the background is wearing a white hard hat and yellow safety glasses. The overall composition is dynamic and positive, representing a diverse and professional workforce in the energy sector.

OUR STORY

Founded in 2005 as Women of Wind Energy (WoWE), Women of Renewable Industries and Sustainable Energy (WRISE) is committed to driving a sustainable and equitable energy future. With chapters across the U.S. and Canada, WRISE empowers a diverse network of over 25,000 participants. Our success is fueled by the generous corporate partners, individuals, and volunteers, who are working together to shape a more equitable clean energy future.

As we continue our journey toward a more sustainable and inclusive energy future, your partnership means more than just sponsorship. It's a shared commitment to empowering diverse voices and driving meaningful change.
